

WANT LONGER LASTING BUILDINGS?

Reduce the size
Get an architect
See the future

The Erechtheum, Acropolis, Athens, 421-407BC. Architect: Mnesicles. Achieved and sustained for 2,417 years.
Size is not everything - endurance is the key. Good ideas last longer.
Saving 20% on the size of a building and spending it on design services will make it 100% better.
